

Davis County Board of Health

*Food Service Sanitation Regulation Update
Dave Spence
Environmental Health Services Division Director
May 10, 2016*

Food Code

U.S. Public Health Service

2013

U.S. DEPARTMENT OF HEALTH AND HUMAN SERVICES

Public Health Service • Food and Drug Administration

College Park, MD 20740

Key Changes

- Length
- Formally adopting State rules
- Mobile Food Establishments (MFEs) will have more flexibility:
 - Commissary report frequency and a register
 - Storage of mobile units
- Temporary Food Establishments (TFEs):
 - Year-round and seasonal operating permits
 - Risk Assessment

Fee Changes

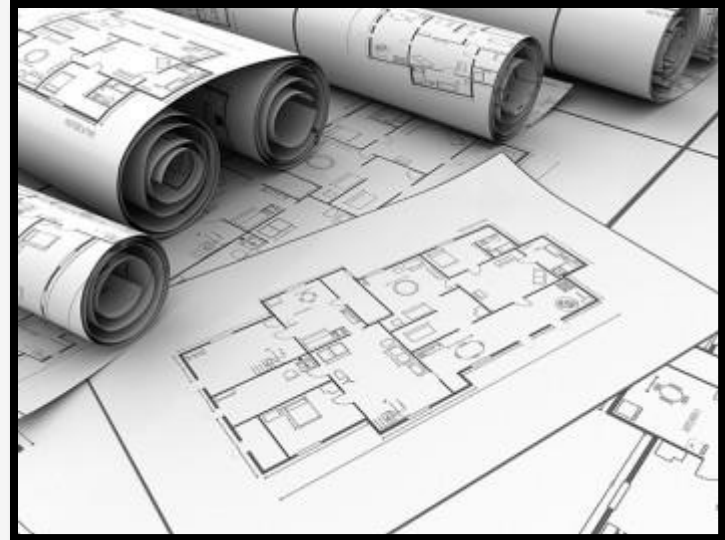

Added:

- Required Plan Review Submission—\$50
- Requested Additional Inspections—\$100
- Residential Treatment Facility Inspection—\$100
- Revocation of Permit—\$500
- New Annual and Seasonal Temporary Food Establishment Permit fees—\$140 to \$600 based on risk

Fee Changes

- Small adjustments to Plan Review and Site Review sections for consistency of fees
- Re-structured Temporary Food Service Permit section —similar \$ with risk added

SeaQuest Interactive Aquarium

- Received information about a new attraction coming to Layton
- The Division had several health-related concerns
- Meeting with the business owner
- Researched other locations in U.S.
- Staff completed comprehensive review of plans

Current Environment

- New water attraction popularity and development
- Utah Pool Rule and DCHD Regulation do not address
- Recommendations
- Oversight
